ABOUT US

Silvora is a premium interior surface brand offering stylish PVC panels, fluted wall panels and decorative solutions for modern spaces.

Inspired by natural textures and contemporary architecture, our products combine elegant design, durability and practical performance.

Silvora panels are easy to install, simple to maintain and suitable for residential, commercial, hospitality and retail interiors.

Backed by **GM GYPSUM**, Silvora is committed to delivering dependable quality, refined finishes and interior solutions designed to enhance every space.

WHY CHOOSE SILVORA?

COST-EFFECTIVE

Long-lasting interior solutions with excellent value.

WATER-RESISTANT

Designed to withstand moisture and everyday use.

HEAT-RESISTANT

Provides reliable performance under normal indoor conditions.

HYGIENIC

Easy-to-clean surfaces for cleaner interior environments.

VERSATILE

Suitable for walls, ceilings and decorative applications.

SOUND-DAMPENING

Helps reduce echoes and improve indoor comfort.

MATERIAL COMPOSITION

PVC PANELS

Approximately 35% PVC content

FLUTED PVC PANELS

Approximately 60% PVC content

The higher PVC content in our fluted panels contributes to improved durability, moisture resistance and long-term performance.
